

Asset Distribution & Management Policy

HR POLICY DOCUMENT

Asset Distribution & Management Policy

Effective: January 2025 | Version 1.0

1. PURPOSE

This policy governs the allocation, use, and return of company assets (laptops, mobiles, ID cards, access devices, and other IT/office equipment).

2. ELIGIBILITY & ALLOCATION

- Full-time employees are eligible for standard asset kit (laptop, ID, access card) on joining
- Role-based assets (mobile, headset, monitor) require manager and IT approval
- Asset distribution is coordinated by IT and Admin; HR maintains records
- New joiners receive assets within 3 working days of completing onboarding

3. ASSET TYPES & STANDARD KIT

- Laptop: Standard issue for all; upgrade on approval
- ID card & access card: Mandatory; replacement fee if lost
- Mobile phone: For roles with field/client contact; optional for others
- Desk equipment: Monitor, keyboard, mouse as per workspace policy

4. CUSTODY & USE

- Assets are for official use only; personal use must comply with IT policy
- Employee is responsible for safekeeping; loss or damage must be reported within 24 hours
- Theft or misuse may result in recovery cost and disciplinary action
- License and system access must remain valid for continued use

5. RETURN & EXIT

- All assets must be returned on separation (resignation, termination, retirement)
- Clearance form signed by IT and Admin before final settlement
- Unreturned or damaged assets may be deducted from dues or pursued legally
- Data on devices must be wiped as per IT checklist

6. REPLACEMENT & UPGRADE

- Replacement: Request via IT portal; approval based on warranty and need
- Upgrade: Manager approval and budget; cycle typically 3–4 years for laptops
- Lost/stolen: Report to IT and Security; replacement may incur cost as per policy
